SCHMIDT SELLS GUN AND LEAVES

Is Wanted at Socorro on a Murder Charge—Reward Is Offered.

Rincon, N. M., Aug. 2.—Frank Schmidt, alias Conway, when last seen, was in very hard straits and also hungry. He remained for a short while at a flag station between San Marcel and Engle, and while there sold a 38 double action pistol, the one which had been in Johnson's possession, to Antonio Gutierrez, for \$1, after which he bought some lunch and slept in one of the shanties there. The story of the murder was unknown there. It is thought that the man is making for a point west of Rincon and towards Deming.

Schmidt had a black and blue mark on his face. He is wearing a dark coat, light shirt, a cheap pair of cotton or thin material trousers, and above the knees the legs of the trousers are grease stained. He has white canvas shoes, very muddy and showing some wear.

Sheriff Sanchez, of Socorro, has offered a reward for the capture of Conway.

SPANISH PRIESTS PREACH AGAINST GOVERNMENT POLICY

Bilbao, Spain, Aug. 2.—Roman Catholic priests throughout the Biscayan provinces of Spain preached violent sermons yesterday on the policy of the government in the conflict with Rome.

Preparations for a great Catholic demonstration against the government on August 17 are being continued in spite of the declaration of the government that no demonstrations which threaten disorders will be allowed.

NEWSPAPER SWITCHES IN VATICAN FIGHT

Issues Statement—Vatican Responsible.

Madrid, Spain, Aug. 2.—Imparcial, which hitherto has been unfriendly to premier Canalejas today ranges itself on the side of the government in the pending conflict with the Vatican.

Imparcial says: "We are faithful members of the Roman Catholic church but we always have regarded the issue not as a religious one, but as a national problem involving the independence of the civil power. Not Spain, but the Vatican, has created the present situation."

nomination on the Republican ticket on "Insurgent" and "Standpats" issues.

PRESIDIO REPUBLICANS NAME STATE DELEGATES

Select New County Chairman and Secretary and Endorse the Taft Administration.

Marfa, Texas, Aug. 2.—At the Presidio County Republican convention held here W. W. Bogel and O. L. Nicolls were elected delegates to the state convention.

They were instructed to vote for the separation of the state executive committee from the national committee and received no other instructions. W. P. Murphy was elected county chairman and Samuel Hinsley was elected secretary for the ensuing two years. The Taft administration was endorsed.

ENDORSEMENT IS FOR TAFT ADMINISTRATION

Des Moines, Iowa, Aug. 2.—President Taft will not be ignored in the platform of the Republican state convention which will be held here Wednesday.

The administration will be endorsed, to quote roughly "insofar as it has carried out the pledges in the national platform of 1908." This was determined upon at a meeting of leaders. Among those who were present were J. L. L. of Tawaport, George C. Curtis, of Clinton, who will represent the second district on the platform committee.

BRYAN STILL OPTIMISTIC: SAYS TAFT IS STRONG

Topeka, Kans., Aug. 2.—"I believe the Democrats have a good chance for a majority in the house next session of congress," said William J. Bryan in an interview here on route to Eureka, Kan., to fill a Chautauqua date. "I am firm in my belief that William Howard Taft will be the next Republican candidate for president, but the Democratic candidate will be hard to determine at present. There is no dearth of Democratic timber but the choice of a leader will be determined largely by the actions of the next congress."

SYMPATHY FOR MISS LENEVE

(Continued from Page One.)

woman. Then we discovered that the labels had been taken from all their clothes, that the lining had been torn from the younger Robinson's hat and soon Capt. Kendall was convinced that he had the much sought fugitive on board."

Albert Smith, the dining room steward, told how Crippen had maneuvered to keep Miss Leneve seated by him at the table. He said Crippen had asked for two seats at the captain's table, side by side, and next to the wall so that no one could see beside Miss Leneve other than himself.

"My boy is a little deaf," he told the steward and after some argument succeeded in getting the desired seats. In this way he prevented any passengers from overhearing the girl in conversation at the table and betraying her sex by her voice. Crippen was careful not to reveal much of his past history.

RECLAMATION ENGINEERS WILL REACH EL PASO IN THE FALL

The board of army engineers which is now making an inspection of the reclamation projects of the west and southwest, will not reach El Paso until fall. The army board has left Washington, D. C., but will go to the northwest and complete the inspection there before coming to the southwest and California. Director F. H. Newell will accompany the army engineers on this inspection trip, which is being made to all the reclamation service projects.

BIDS FOR POSTOFFICE OPENED IN WASHINGTON

The bids for the new El Paso post-office site were opened in Washington Tuesday. A number of bids were submitted by local property owners. The announcement of the award will not be made for several days.
